

Testimonials

After being denied several times for a loan, I was very frustrated and did not know what to do. I received a flyer in the mail and called National Tax Assistance.

Your service was great and the accessibility of your loan processor was very convenient. I have already recommended your company to friends and family. Thank you!

When I received your letter, it came just in time. I had been getting phone calls from attorneys and did not know what to do.

As soon as I called National Tax Assistance and got information about your company, I knew it was the answer I was waiting for! The service I received made me want to tell everybody I knew about your company!
